Reference: Docket No. 2013-201-w/s

To whom it may concern,

I reside in Calhoun Acres subdivision of Anderson County SC. We are serviced by Utilities Services of South Carolina in regards to water provided. Their request for a rate increase is unjustified, as no capital investment or improvements have taken place in our area. Our water rates already are more than double our surrounding neighborhoods. I believe our voices deserve to be heard in this matter. I am requesting a hearing be held in Anderson County SC. Thanks for your attention to this matter.

Best Regards,

Michael Bratcher
